

Attention Saskatchewan Pharmacists!

SteriMax Inc. is pleased to announce that **COLISTIMETHATE FOR INJECTION 150MG** is **NOW LISTED** on the Saskatchewan formulary under Exception Drug Status on a Case-By-Case Basis.

We also wish to remind pharmacists that **DIHYDROERGOTAMINE (DHE) 1 mg/ml** is listed on the Saskatchewan formulary at a reduced price of **\$3.67/amp**, effective **January 1st 2009**, making it the lowest cost dihydroergotamine injection listed.

To order **COLISTIMETHATE** and **DIHYDROERGOTAMINE**, please contact your preferred wholesaler. Please also visit our website at www.sterimaxinc.com.
